

MJ - nozzles

Orbital nozzle

MJ1 | MJ2 | MJ25

MJ3 | MJ4 | MJ6

Advantages:

- High water jetting density—better surface impact
- Can break harder scale and cuts deeper than multi-jet nozzle
- SWISS MADE: for greater performance and longer life
- Simple installation and easy maintenance

Area of application:

- Work on lances, hp & uhp handguns, robot arms and automated spray-heads
- Concrete, scale & paint renovation / removal
- Casting cleaning
- Ship hull cleaning / Marine-Growth-Removal (MGR)
- Rubber & marking line removal

Specifications:

Product	9/16" x 18 UNF LH	M14 x 1.5 LH	M24 x 1.5 LH	M24 x 1.5 RH	M26 x 1.5	NPT 3/8"	NPT 1/2"	BSPe 1/4"	BSPe 3/8"	BSPe 1/2"				ØxL
