

IMC 400 | 450

(Recycling impact milling cutter)

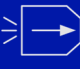

Advantages:

- **New:** for recyclable water
- High impact power (up to 12 tons)
- Modular design in the application area of 400 - 450mm / 15.7" - 17.7"
- Simple to maintain

Area of application:

- For the removal of the hardest deposits (e. g. concrete and limescale) in concrete-, steel- or PE-pipes
- Opening of full pipes
- Pipe diameters: 400 - 450mm/ 15.7" - 17.7"

Specifications:

Product		 min			 max	$\varnothing \times L$
14.400R	1" BSPP 1 1/4" BSPP	350l/min / 121.5gpm	3	3	150bar / 2200psi	388x712mm / 15.3x28"
14.450R	1" BSPP 1 1/4" BSPP	350l/min / 121.5gpm	3	3	150bar / 2200psi	439x712mm / 17.3x28"
